(e) whether Bureau of Industrial Finance and Reconstruction has approved the report; and

(f) if so, the details therelf?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI B.K. HANDIQUE): (a) The Government has taken a decision to close Fertilizer Corporation of India Ltd. (FCI), Hindustan Fertilizer Corporation Ltd. (HFC) and Pyrites, Phosphates and Chemicals Ltd. (PPCL) as they were not found techno-economically viable.

(b) to (d) Proposals for revival of Barauni and Durgapur units of HFC; Gorakhpur and Sindri units of FCI have been received from these companies for setting up brown field gas based fertilizers plants at the existing sites. In the case of Haldia unit of HFC, Shriram EPC had submitted a proposal for setting up a coke oven complex including production of fertilizers. Action has also been initiated to explore the possibility of reviving the Amjhore unit of PPCL by mining and selling the pyrites available at the unit direct as fertilizers. The revivals of these units is dependent on the techno-economic viability of the proposals.

(e) and (f) In the case of FCI, Board for Industrial and Financial Reconstruction (BIFR) has forwarded its opinion to close the company to the Hon'ble High Court of Delhi and in respect of PPCL to the Hon'ble High Court of Patna for further action. The hearing of BIFR was held on 29.11.2005 in respect of HFC and as per directions of the Board, the action has already been initiated to prepare the revival schemes for the closed units of the company and the finalisation of these schemes will depend on the techno-economic viability of the proposals.
